Keri Murphy

INTERNATIONAL SPEAKER
ENTREPRENEUR & MEDIA EXPERT

THE CEO AND FOUNDER OF INSPIRED LIVING, KERI MURPHY IS COMMITTED TO EMPOWERING PEOPLE ALL OVER THE WORLD TO

Dream it. Live it. BE it!®

An international speaker, media expert and business mentor, Keri honed her expertise in the entrepreneurial field for over 20 years, helping others create—and succeed at—a business they love. Murphy is a television veteran with appearances on MTV, E!, FOX and NBC just to name a few. At 27, she was building one of most respected agencies in the Northwest—The Murphy Talent Group. The Agency had grown 400% prior to the recession of 2008, the aftermath was devastating. She was forced to close her doors, file bankruptcy and start-over. However, that heartbreak birthed her next and most profitable venture yet, Inspired Living.

Through her Inspired Living TV web-series she interviews celebrities and successful entrepreneurs, sharing their stories of success, overcoming adversity and business tips.

She’s a warm, honest, funny and captivating business coach who can spot and cultivate the “IT Factor” in her clients and students— helping them shine on-stage, on-camera, and in their lives and businesses. Although she plans to expand Inspired Living into a worldwide education, entertainment and lifestyle company— from makeup lines to Inspired Living home and office products, inspiring others to live at their “best and highest use” is what matters most. When not inspiring; you’ll find her spending time with friends and family, playing the piano or relaxing seaside- all while enjoying her time as a mom to her beautiful daughter, Lauren and son. Landon.
